COME HOME TO SONOMA

Come home to Patrons' Night 2009

Whether you are a life-long resident of the Valley of the Moon, have just recently discovered this part of Paradise or are traveling here in search of a respite from somewhere else, you are welcomed. Drive up Broadway from the South and take in the Plaza view that has greeted locals and travelers for 100 plus years. Take a tour of The Plaza, the largest in the State of California, before you approach and enter General Vallejo's Sonoma Barracks, taking you back to a time of the very beginnings of wine growing in California and a time of Bear Flag Revolvers. Inhale the atmosphere of award winning wines and world class gastronomic selections; enjoy the sounds (and surprises) of Celebrity Chef Joey Altman and his Back Burner Blues Band; let the feelings of both tranquility and excitement of a warm September evening in Wine Country wash over you as you mingle with friends both old and new.

For those lucky enough to live here, share life in Sonoma Valley by inviting friends from near and far; for those visiting it's a feeling of welcoming, of belonging, like "coming home".
